_____

GENERAL

– Difference in color: My acer laptop displays the website in a more greyish color, and my over the top vivid color screen gives a warm view. The latter is prefered.
 Q: How do people see the colors on their screen? And how to avoid dim/ flat colors? Like the ones I see on my laptop?

– Colorschemes: Is it possible to change into: Dark text, light bar.?
– **Switch colors**;Yoga: blueish green. Bellydance = Magenta (not red:)

– ENGLISH or NEDERLANDS * → different color to stand out from the rest of the menu.
 (it says 'dutch in the titlebar)
– Bellydance must be ONE word, even though the dictionary does not agree:)

SCROLL DOWN MENU ISSUES

I like for the main information that someones clicks on, to appear on screen directly without having to scroll down. I find it works confusing to have to scroll down for the information.

Since I scroll down and don't click arrows I found that the menu does not of yet seem logical, it does not cover the information on the titlebar/ menu. It's 2 different structures.

(for example 'CLASSES" → the page opens at practical info, I have to click the arrow a few times to get this info.When scrolling (I admit, I am a scroller) the information is NOT there at all. …

– _____

Pictures:

only Bellydance pictures for bellydance
only Yoga pictures for yoga

!! plz teach me how to upload and edit, so I won't take up more of your time than neccesary

_____

YOGA

– please replace 'Deva' with 'teachers' and remove 'teachers' from 'classes'
(also from bellydance)
'Studio' becomes ' Studio Deva Divine"

–
about

– Teachers: Text + foto's van Jule en Laura
– Can you make a nice layout for teachers so that there is a picture and a text for every teacher?
picture on 'what defines yoga' seems too short, same goes for the bellydance. You see the
picture beneath.
– OPT-IN form Is it possible to implement this? Top and bottom
– (and only ONE registration form- and just hyperlink to registration form)

Q: How can I link the opt in box to registration on mail chimp?
– _____

Registration Form:
Q: Would it be possible to separate yoga an bellydance in to two colums ?
When people opts try out, its clear whether its for bellydance or yoga. Let me know what you
think,

I had something like this in mind:

   * try out yoga
    * Hatha flow monday 19:00-20:15
    *Poweryoga Wednesday (Mai 2016)
   * Workshop (don't know if it's possible to program and to hide until I have an active
workshop?

   * Try out bellydance
   * Tuesday 19:00-20:00 Raqs Fusion lvl 1 (Mai 2016)
   * Tuesday 20:00-21:15 Raqs Fusion lvl 2
    * Thursday 19:00:20:15 Raq Fusion lvl 1
   * Raqs Fusion 3 (forming... date to be announced)

* workshop (dito)

Please Add at the bottom a menu for: privacy policy and user agreement/general terms and
 conditions.

I would like for people to check this box when they sign up. Something like: ' I agree to the general
terms and conditions".
Registration through the website must be as binding as registering at the desk.

General

At the bottom of every page there is a Sign up form. How about making this smaller and /or possible
place a picture next to it? So that it looks more inviting. The size might be a bit too much in da face
 There must be a distinct difference between signing up and 'agreeing to the general terms' or **getting
in touch with questions.**

Classes:
Can the whole schooltimetable be displayed? Within a frame possibly? SO that when more classes are
coming, it will look organized.

http://www.dafunkyfeet.nl/1/10/dansrooster-.html ← something like this

---

Prices:

the USP of the studio is that we don't use contracts, nor any fees regarding registration. Also we make
it really beneficial to promote D.D to help the studio grow, with our discounting system. This
information is the most important information and must be clearly seen and linked to at all times. It
would be much much appreciated as it is possible to hyperlink within the text to this information.

If you could show me how it's done, I will do it myself

CONTACT:

please make an extra subpage titled: jobs at Deva Divine

I would like two sections: voluntary and paid positions

GENERAL Structure of the site:

– About very 3rd page seems white. Is it possible to add a picture to fill the BIG WHITE'? The white is a big contrast. Especially if the screen is not filled with information, the information in there gets lost in the space.

BLOG:
Is it possible to have a blog? One that I can add nice pictures too and can use for infotorials etc?!
The other one died or is zombied somewhere :/

_____

BELLDYANCE

Menu

Roots and Development goes into: Bellydance
Teacher goes from classes into Bellydance
"Deva" becomes ' Biografie Deva Divine"
'Studio' becomes ' Studio Deva Divine"
_____

CLASSES

Timetable doesn't go immediately to the actual timetable
There is no actual information on classes in classes. But I can change that

The arrow at 'setup of classes' does not work. But when I scroll down it does work

I still need to type a lot of information on bellydance classes, especially when we expand. Are there enough 'white boxes' to cover all the content? Or do we need more pages underneath eachother

Can the whole schooltimetable be displayed?

Can this go in the footer?

KVK: 63374110/ BTW: 156646249.B01/ Bank: NL66 INGB 0684954729 t.n.v LJ. Elbertsen

We also talked about a registration software and a paypal button. Here Aisa Lafour has her system.
I think it's actually nice to be able to click on a button next to the description of the classes and are able to sign up/ pay/ enroll etc.
